

Remarks

Reconsideration of this Application is respectfully requested.

Upon entry of the foregoing amendments, claims 1-7 are pending in the application, with claim 1 being the only independent claim.

Applicants believe no new matter is added by these amendments. Support for these amendments can be found in the specification as filed.

Based on the following remarks, Applicants respectfully request that the Examiner reconsider all outstanding objections and rejections and that they be withdrawn.

Interview Summary

Applicants would like to thank Examiner Cho for the courtesy extended during the telephonic interview with Applicants' representative on July 11, 2008.

During the interview the pending rejections under 35 U.S.C. §§ 112 and 103 were discussed. The Examiner informed the undersigned that the arguments presented in Applicants' Amendment and Reply of May 2, 2008 were found to be persuasive. The Examiner informed the undersigned that claims 1, 2 and 4 of the current application will be allowed if Applicants agree to delete the radicals of formulas A1 and A3-A11 from claims 1 and 2. Accordingly, each of the Examiner's rejections are thereby overcome and rendered moot.

Also during the interview, the pending restriction requirement under 35 U.S.C. §§ 121 and 372 was discussed. Therein the Examiner agreed to rejoin claims 3 and 5-7 of the current application.

Applicants respectfully request that these statements be entered into the record.

Applicants have amended claims 1 and 2 to place them in compliance with the Examiner's request and therefore believe that a full and complete reply has been made to the outstanding Office Action and, as such, the present application is in condition for allowance.

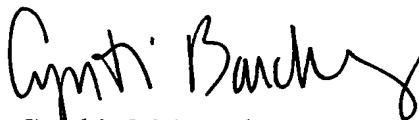

Conclusion

All of the stated grounds of objection and rejection have been properly traversed, accommodated, or rendered moot. Applicants therefore respectfully request that the Examiner reconsider all presently outstanding objections and rejections and that they be withdrawn. Applicants believe that a full and complete reply has been made to the outstanding Office Action and, as such, the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Prompt and favorable consideration of this Amendment and Reply is respectfully requested.

Respectfully submitted,
